The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for an Aircraft Maintenance Hangar in fiscal year 2024. The entity to receive funding for this project is Fort Bragg located at 3550 All American Fwy, Fort Bragg, NC 28310.

Due to updated information from the Army, the project is expected to cost \$61 million instead of \$64 million.

The funding would be used to provide permanent facilities and infrastructure to accommodate the operations and maintenance of aircraft serving the U.S. Army Special Operations Command (USASOC) at Fort Bragg. This includes maintenance bays for scheduled and unscheduled maintenance, flight detachment administration and operations, maintenance support, tool and parts storage, and shop space.

The project has a federal nexus because the requested funding would be for purposes authorized by 10 U.S.C. Chapter 169.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Richard Hudson
Member of Congress
